CONDITIONS

1. Only the existing main house ("main house") as described in the records of the Building Department of the Town of Palm Beach, is designated a landmark --- not the patios, pool, property, or other structures.
2. The four square extensions to the main house shall be allowed to be removed (or cut off) --- such that the main house would then resemble an octagon shape. The Landmarks Preservation Commission shall be consulted to oversee the removal and the resulting modifications.
3. The main house may be allowed to be moved to any location on the property (or with the approval of the Landmarks Preservation Commission --- to another site in the Town of Palm Beach).
4. The architectural style of any new structures constructed on either lot described herein will not be required to be architecturally consistent with the existing main house; however, any new construction (i.e., additions or renovations) to the main house will, at the request of the Landmarks Preservation Commission, be architecturally consistent w/main house
