Palm Beach Placard Permit Parking Program

A Summary of Locations and Rules Associated with the Palm Beach Placard Permit Parking Program

Revised February 18, 2016

The placard parking permit allows for unlimited parking (subject to specific conditions) in designated spaces for the following time periods.

- \$95 for 1 month
- \$320 for 4 months
- \$450 for 6 months
- \$840 for 12 months

The placard permit, which is either placed on the dashboard or hung from the rearview mirror, does not guarantee a parking space. However, the placard parking permit allows the vehicle within which the placard is placed unlimited* parking regardless of posted parking time limitations and without having to pay for parking meters or kiosks that may be installed for the designated placard parking area so long as the placard parking permit is valid. The placard parking permit is only valid for the placard parking permit area purchased.

This permitted parking concept is ideal for the business person that wants to buy one or more permits to share among his or her employees as shifts change to enable them to have a more predictable parking situation for their personal vehicles. And for the employee working in the area that is on his or her own for a place to park while working, you are not likely to find a better parking bargain in Town.

Employers, employees of area businesses or residents, visitors, guests of area residents, and anyone else can purchase and utilize the placard permit. However, the placard parking program is operated on a first-come, first-served basis and is good only for the defined area for which it is purchased. There

are a limited number of placards that can be issued at one time. Depending on the site, there may be a waiting list.

There are eight defined areas in Town where parking placards can be purchased. The locations are the west side of South Ocean Blvd. between Hammon Ave. and Royal Palm Way (53 spaces); South Lake Dr. (62 spaces); South Bradley Park (26 spaces); Royal Palm Way 100 Blk. (17 spaces); Hibiscus Ave. (2 spaces); Peruvian Ave. 200 blk (10 spaces); Peruvian Ave. 300 blk. (12 spaces); Hammon Ave. (2 spaces); and Phipps Ocean Park (98 spaces). This amounts to 282 parking spaces. Maps on the next page delineate each location.

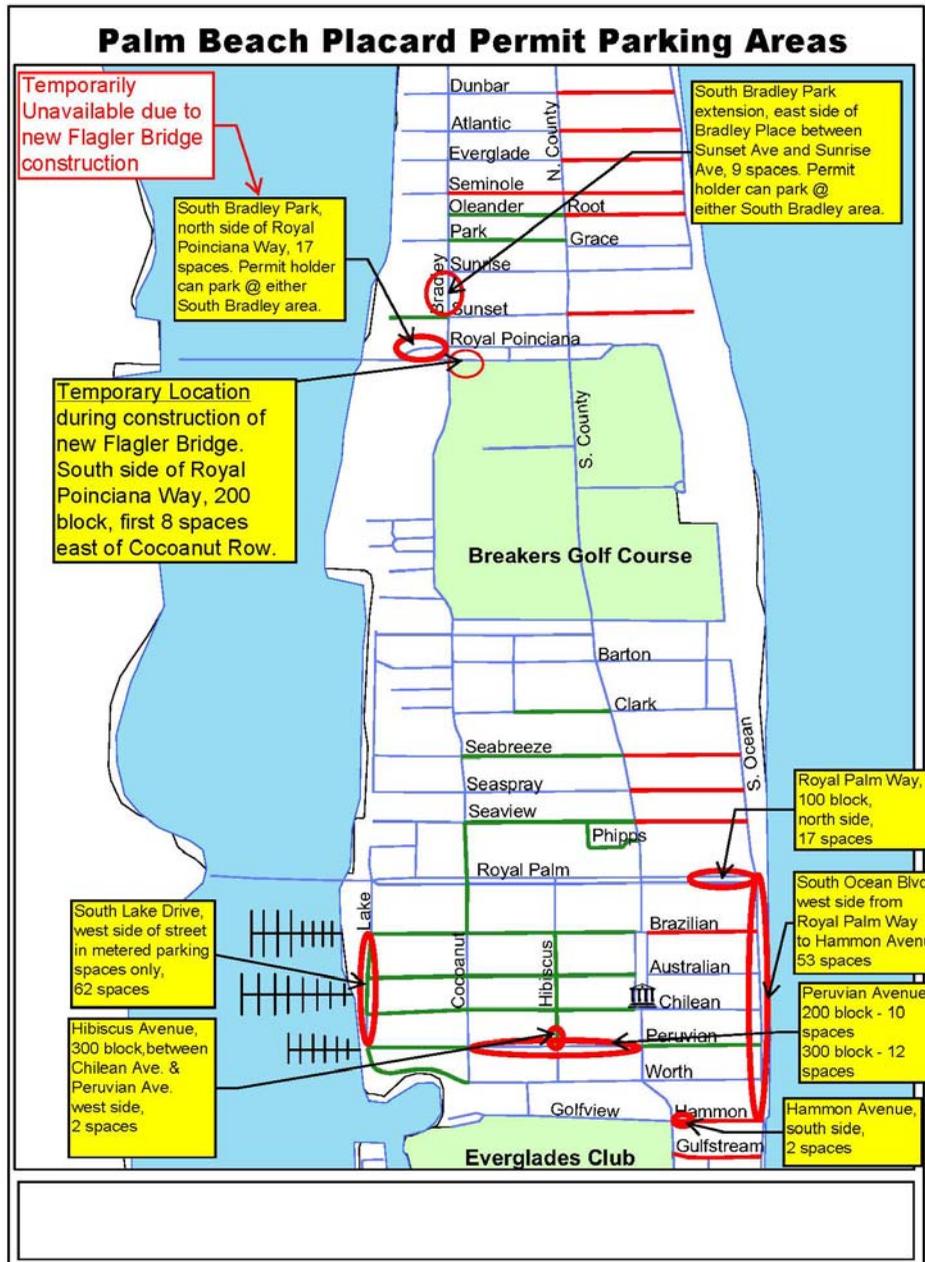

Prior to permit expiration, the Town will attempt to remind you of your renewal deadline, but each permit holder is responsible for timely renewal regardless of the Town making contact with you for renewal.

For any questions or to find out how to purchase a parking placard permit or to be placed on a waiting list, call the Finance Department at (561) 835-4628 or see the Town's web site:
